

include/Tools.hpp

```
graph TD; A[include/Tools.hpp] --> B[bits/stdc++.h]; A --> C[Tools.ipp];
```

The diagram illustrates a C++ header file, `include/Tools.hpp`, which includes two other files. Two blue arrows originate from the bottom of the `include/Tools.hpp` box and point to the `bits/stdc++.h` and `Tools.ipp` boxes below it.
